

Interactive Marketing meets Guest Screening

Available for Rent for your Event, Venue, or Sponsor

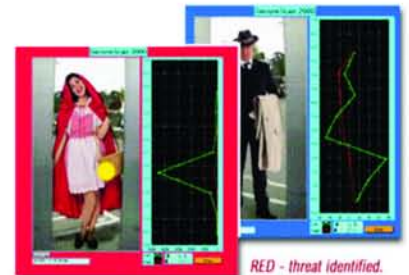

As seen at over 200 Sports & Entertainment events throughout the U.S. for the past several years including the GRAMMY® Celebration, Golden Globes, Teen Chice, MTV Movie Awards, The Breeders' Cup, countless Concerts, Movie Premieres, After-Parties, Lectures, and Corporate Meetings

This is NOT a metal detector! And much faster too! Using passive technologies, this digital walk-through system distinguishes unauthorized items from ordinary metal objects, and displays where the item is concealed, on a computer monitor. Great for cameras, cell phones, and recording devices, or other electronics you want to keep out

Advertise to your Guests while they make their way into your Event, Venue, or Facility
